Homebuyer program was not launched this year, however, there is a significant pilot program underway.

2016 has been a very successful year in what CCLBA set to accomplish. 2017 CCLBA is well poised to be even more impact with impressive goals.

IV. Consent Agenda
Director Ostenburg, seconded by Director Planey moved to approve the Consent Agenda which includes August 12, 2016 and September 8, 2016 CCLBA Land Transactions Committee meeting minutes. The motion carried unanimously.

V. DISCUSSION OF CCLBA RESOLUTION for DELEGATION AUTHORITY
Regarding organization concerns, discussion were had regarding resetting the approval levels when an item is approved by Executive Director/Land Transactions Committee/CCLBA Board.

Currently the ordinance allows the Executive Director discretion on single family 1-4 units and the Executive Director make a decision and reports to the Land Transactions Committee and then report to the full board regarding the activity. On commercial property currently every transaction must go to full board for approval, Executive Director is proposing different levels of approval with appropriate measures based on the deal size of the transaction.

Transactions on vacant land/commercial and industrial/multi-family (5 units or more) approval discretion be granted as follows:

- Less than $50,000 Executive Director
- $50,000 - $250,000 Land Transaction Committee
- $250,000 & above Full Board

This will allow CCLBA some speed of execution on smaller deals with appropriate oversight.
